Business Recommendation

- Launch promotional offers during low-volume months.
- Strengthen loan-related campaigns to maximize revenue.
- Encourage usage of **Recharge Bills** through cashback offers.
- Improve cross-selling of **Insurance** to existing loan customers.

- Transaction volume remains stable throughout the year with minor seasonal fluctuations.
- Peak activity is observed in **May** and **July**, indicating higher user engagement.
- Lower transaction volume during **February** suggests opportunities for promotional campaigns.
